Carrie – Here are my edits to this one document (if you are still taking edits). I added my edits to the tracked version that Claire sent me. I apologize for not getting to this sooner.

Thanks,
Susan

Team,

Here are some draft documents the Willamette Partnership would like reviewed by specific times. I will take the lead on reviewing them and will send you my comments (for inspiration?), but I would also like you to read through as many of them as you can, especially the summary of the last workshop many of you attended. Feel free to send your comments directly to Carrie Sanneman and copy me when you do.

Laurie – if you have time to read the workshop summary, that would be great, since you were there.

Kelly – this is FYI.

Hi everyone,

Please find attached a few documents for your review, with associated review deadlines:

Workshop #2 Meeting Summary: This is intended to capture our	Wed, July 3rd
---	----------------------

discussion and will be posted online after comments are incorporated.	
Workshop #1 Draft Best Practices: This version incorporates all comments received and tracks the changes made to address them. *** <u>These will be part of the Joint Regional Agreement</u> , so it is worth giving them a hard look. If it is easier to review a clean version, feel free to clear comments and changes.	<u>Fri, July 12th</u>
Guiding Principles: This document also incorporates comments and changes. The largest changes were made to make clear the relationship between these principles and the 2003 EPA policy. We have use direct quotes to clarify where we are overlapping with the policy, in contrast to where we are expanding to reflect the PNW context and experience of project partners. *** <u>This will also be part of the Joint Regional Agreement</u>	<u>Fri, July 12th</u>

I have also attached a revised version of the Discussion Guide for Ratios, Reserves, and Baselines that reflects your comments. A clean version will be included in meeting materials posted online today.

All documents are also posted on the [project website](#)

Best,
Carrie

P.S. Also, a quick reminder to send us state rules, regs, policies, and agreements involving confidentiality and FOIA by next Monday, 7/1.
